PLANTERAY CUT & DRY RUM

“100% Barbados rum! The exquisite marriage of two icons of the Caribbean.”

Planteray Cut & Dry is the perfect marriage between two icons of the Caribbean: Coconut and Rum.

Ripe coconuts are harvested, cracked open and laid outside to naturally dry. The dried chunks of coconut are infused in a blend of: Barbados column still rum & Barbados pot still (Old Gregg) rum. The fruit infusion is then blended with Barbados rum aged up to 3 years old.

- The marriage of two iconic Barbados staples. Classic 100% Barbadian Rum infused with natural Barbadian coconuts.
- Barbadian Coconuts are picked at the peak of their maturity and cracked open to dry in the Caribbean sun to intensify their oils before being infused in our classic Barbadian Rum at our distillery on the shores of the Caribbean sea.
- Delicious on its own and incredible in classic cocktails like an indulgent pina colada, Planteray Cut & Dry is the essence of Barbados in a glass.

NOSE: INTENSE, IT STARTS ON COCONUT PULP WITH NOTES OF VANILLA, CINNAMON, AND IMPRESSIONS OF SESAME OIL.

PALATE: ROUND, IT FOLLOWS THE NOSE WITH A MORE PRESENT RUM, DELIVERING COCONUT MILK, VANILLA, BANANA, GREEN GINGER WITH SOFT TOUCHES OF MOLASSES AND SOME FRESH HERBAL NOTES.
